Yours very truly.
A. L. MATTHEW,
Mayor of Town of North View,

Why do we sell cheaper than other dealers?

Because we are out of the HIGH RENT district. We do not maintain an army of high-salaried clerks, our business being so managed with the very least possible expense, then we buy entirely in carload lots, consequently BUY CHEAPER, and save freight. We maintain our own warehouses in three different cities, and our furniture is bought and shipped to us in carload lots, which means a saving to our customers of at least 25 per cent. Our secondhand furniture, made like new, and in many instances better than new, saves you from 50 to 100 per

Put us to the ACID TEST, compare our prices with other dealers, then let us prove what we claim-A SAVING OF 25 TO 50 PER CENT.
